Brainstorm & Idea Prioritization Template:

Step-1: Team Gathering, Collaboration and Select the Problem Statement

Step-3: Idea Prioritization

4 Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

20 minutes

YIP

Participants can use their cursor to point at various sticky notes and go on the grid. The facilitator can continue the task by writing down ideas and moving them to the key on the keyboard.

Importance

If each of these ideas could bring efficiency or cost, which would have the most impact?

Feasibility

Regardless of their importance, which tasks are more feasible than others? (Cost, time, effort, complexity, etc.)
